Remodeling or tearing down a building?

Call Door County Habitat for Humanity before you start demolition!

Door County Habitat for Humanity Volunteers will come in and remove reusable/sellable materials such as cabinets, lighting fixtures, plumbing fixtures, appliances, wood paneling, siding, doors, and trim. Items will be sold in the ReStore to raise money for new home construction and home repairs!

Best of all, this service is provided at no cost to you! Save money on your project, keep useful items in use, and help the community!

We can deconstruct before a remodeling as well as before a full tear down! As soon as you start planning, call or email so we can help you include deconstruction instead of demolition!

Email restore@doorhabitat.org, or call 920-743-2869 ext. 104

As an equal opportunity housing provider, Door County Habitat for Humanity provides housing opportunities regardless of race, color, national origin, religion, sex, physical or mental disability, familiar status, or any other classification protected by applicable federal, state, or local law.
