Home Build Program

Door County Habitat for Humanity seeks home build partners!

- Habitat partners with individuals and families from application through construction and beyond
- Homes are built to meet the needs of the Future Homeowner
- Volunteers build the home, then the Homeowner purchases it from Door County Habitat for Humanity
- Partner families choose what community in Door County they wish to live in
- Homes are built to be safe, affordable, and energy efficient
- The community benefits from an increase in tax revenue and more affordable housing

Program Requirements

- At least 18 years old
- Have lived in Door County for entire 12 month period before applying
- Family Income at or below 80% of median income (see chart below)
- Unable to own your current home (exception: mobile homes)
- Unable to obtain conventional home loan
- Able to make monthly mortgage and escrow payments
- At least one-year continuous history of stable income
- \$500 earnest money when signing the building agreement
- Current home inadequate or sub-standard (overcrowded, physically deteriorated, unsafe, temporary)

- Willing to complete sweat equity hours

Home Repair Program

For people who own their home but cannot afford to make repairs

- Critical repair, landscaping, and painting projects target existing homes
- Applicants must demonstrate both need and the ability to repay project costs (materials, permits, equipment, etc.)
- To find out if you are eligible, fill out an application and supporting paperwork. You may be our next Home Repair Partner!

We'll build a ramp, do safety repairs, paint or winterize your home.

Program Requirements

- Have lived in Door County for entire 12 month period before applying
- Family Income at or below 60% of median income (see chart below)
- Must own your home and provide proof of homeowner's insurance
- Willing to complete sweat equity hours

Homeowners reimburse Habitat for project costs, such as materials, permits, equipment rentals, and dumpsters. Payment Schedules are tailored to homeowners circumstances and possibly spread out over months or years.

Deconstruct

Habitat offers home deconstruction services for your home renovation or teardown.

- **Habitat will remove reusable materials:** cabinets, lighting fixtures, plumbing fixtures, appliances, wood paneling, siding, doors, and trim.
- **Items sold in the ReStore raise money** for new home construction and home repairs!
- **Free service** is provided at no cost to you!
- **Save money** on your project, **keep useful items in use** (not in landfills), and **help your community provide affordable housing!**

Ramp Up!

Ramp Up Door County installs and leases emergency or **temporary aluminum ramps** to keep residents with a physical and financial need in their homes longer. The ramp is leased for \$80 per month. When no longer needed, the ramps cycle back to Habitat for another person.

Sponsored by Habitat for Humanity Volunteers, and grants from 100+ Women Who Care Door County and the Door County United Way.

This lowers costs to the homeowner and enables more Door County residents to safely access and stay in their homes throughout an illness or rehabilitation period.

Volunteer

Door County Habitat for Humanity is looking for volunteers

- In the ReStore

Our Vision

A world where everyone has a decent place to live. To learn more about Habitat for Humanity's Global non-profit organization, please visit Habitat.org.

Our Values

Decent shelter is something we all need to thrive. Strong and stable homes help build strong and stable communities. With a little help, we all have the potential to stand on our own. Bold actions speak louder than words. Think globally. Act locally. Working together, side by side, promotes understanding and self-reliance in our community.
